## College of Engineering and Computer Science

Degree: Doctor of Philosophy (Ph.D.)

Major: Computer Science

Concentration: Data Science and Analytics

**Research Areas:** Wireless and Sensor Networks, Image, Video, and Multimedia Systems, Machine Learning and Data Mining, Mobile Computing, and Secure Systems

### Important information about applying to Graduate School:

- ✓ **Official Transcripts:** Official Transcripts and/or Official Foreign Credential Evaluations must be received from each college or university attended. For more information on how to send transcripts, please visit our website: [fau.edu/graduate/apply](http://fau.edu/graduate/apply).
- ✓ **Supporting documentation:** Supplemental documents should be uploaded as separate files as part of the online graduate application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.
- ✓ **Conduct:** A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.
- ✓ **Application status:** Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.
- ✓ **Residency classification:** Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.
