BEFORE YOU MOVE IN

PREPARING FOR MOVE-IN DAY

Pack only the essentials. You can always bring extra belongings later in the semester. Moderate-size boxes or storage bins with hand holds are easy to pack in a car and convenient to carry up flights of stairs if needed as elevators may be difficult to come by. Carts will also be available but on a first-come, first serve basis so it is suggested to bring your own cart or dolly. Please note, there is no space for storage of boxes, suitcases, or trunks. If you plan to have any of your items mailed or sent via parcel post, please make arrangements for an arrival date after your initial move-in day.

HOUSING PAYMENTS

Housing fees must be paid by the University payment deadline for each semester. Payments may be made online at myfau.fau.edu. If you are not deferred by Financial Aid you must pay your student account in full or be enrolled in a payment plan by fee payment deadlines. Please visit: fau.edu/controller/student-services/payment-plans/ for summer payment deadlines.

INSURANCE

FAU does not provide insurance for you or your property. You are encouraged to check your family homeowners' policies or to carry your own insurance.

CONTACTING YOUR ROOMMATE(S) VIA EMAIL

We encourage you to contact your new roommate and suite-mates. Contact information is available through the housing portal at housingportal.fau.edu click on the Summer 2024 application to view occupant information. Two main things you want to do in this initial conversation are to introduce yourself and to provide some information about your likes and dislikes. This is also a great time to discuss and coordinate what items you will be bringing to campus. Some topics to get you started: Favorite music, food, movies or TV shows, your planned major or classes that you'll be taking at FAU, what each of you will bring; TV, printer, fridge, microwave, etc. and ways to stay in touch over the summer.

PARKING

All residents must register their vehicle and license plate to park in green parking lots. To obtain your virtual permit:

1. Go to parking.fau.edu and click the Single Sign On button.
2. Log in with your FAUNet ID.
3. Click on "Buy Permit".
4. Fill out all information correctly.
5. Your license plate is your permit, so please ensure the license plate is entered correctly.

Visit parking.fau.edu for more information.

HOW TO PREPARE FOR MOVE-IN

- Log onto your [housing portal](#) and reserve your move-in appointment.
- Select your appointment and receive your email confirmation.
- Verify your housing assignment on the [housing portal](#) before you arrive on campus.
- Review our packing list and make sure to have ID before you leave home!
- Review driving and parking directions on our [website](#).

Don't have your Owl Card yet? It is strongly recommended to have your Owl Card before you head to check-in. To get an Owl Card, head to the Student Union where you will find the Owl Card Center. You can order your Owl Card ahead of time and avoid the lines during move-in, for more information on how to order yours online, [visit the Owl Card Center here](#).

DAY OF MOVE-IN

- Arrive on campus and go to your assigned community's designated unloading zones.
- If you already have your Owl Card, proceed directly to check-in to receive your keys. A friend or family member may NOT check out a key for a resident.
- Students may bring guests to assist with move-in.
 - No pets are permitted. Only certified service animals are allowed.
- Students have the option to bring their own dolly or hand-truck as move-in bins will be limited.
- Parking permits are not required during move-in. Do not park on sidewalks, on the grass or in ADA spaces.

AFTER MOVE-IN

- Once settled in, head down to the front desk to find information about Wi-Fi, roommate agreements, community guides, events and more. Also remember to save the front desk number in your phone.
- Meet your Resident Assistant (RA)! Your RA is an upper-class student living in your area trained to work with other residents to establish a sense of community for all on-campus students. Your RA is a great resource who can help answer questions regarding the University and surrounding communities. They can assist with roommate communication, maintenance concerns and other issues of interest. Throughout the year, RAs will plan various programs and activities with, and for, the residents. Also, an RA is on duty each night and during weekends.

LIVING ON CAMPUS

HEALTH AND SAFETY

All members of the FAU Housing community—residents, staff and visitors are expected to act in a manner that demonstrates consideration for the health and safety of the community. HRE staff will conduct health and safety checks in each room, suite, and apartment at least once per semester, including the summer terms.

ROOMMATE AGREEMENT/RCR

Early in the semester, all roommates/suite-mates will meet and develop a Roommate Agreement. Your RA may help guide the conversation around communication and potential areas of conflict in your suite or apartment.

When you move in, you will be given a Room Condition Report (RCR) for you to review. Please review this report and let your RA know of any concerns you see in the room that are not already listed on the report. This report will also be reviewed at move-out with an RA during your move-out appointment.

CLEANING

Residents will be responsible for obtaining cleaning supplies to maintain a clean-living environment within their assigned space. HRE will clean all residential spaces prior to student move-in and provide regular cleaning and sanitizing of public areas such as lobbies, hallways and elevator areas. Florida has a climate conducive to mold and mildew, and it is necessary to provide proper ventilation and humidification of rooms to retard and prevent the growth of mold and mildew. Resident agrees to be responsible for properly ventilating and dehumidifying the room and suite/apartment and contents to prevent mold and mildew. More on the prevention of mold can be found in the [Community Guide](#).

PERSONAL ELECTRIC-POWERED VEHICLES

Electric-powered vehicles are not allowed inside Florida Atlantic Housing buildings. All vehicles, such as electric scooters, must be stored outside at all times and properly secured to outdoor bike racks. More on this can be found in the [Community Guide](#).
